

Technical drawing of a T30 6-lobed recess. The drawing shows a circular feature with a central 6-lobed recess. Dimension lines indicate a diameter of 13.20 and a distance of 12.93 from the center to the top edge. Surface texture symbols are provided for the outer surface (Ra 0.54) and the inner surface (Ra 0.44, 5.6 REF). A label 'T30 6-LOBED RECESS' points to the central feature.

ESTIMATED WEIGHT:" 0.007 kG
